

# INCLUSION WORKSHOPS

We are committed to providing a challenging and inspiring educational experience that helps identify barriers, find solutions, develop practices and raise awareness of social inclusion. We provide personalised training and mentoring services, highlighting practical ways in which your organisation, club or community can be more inclusive.

## SOCIAL INCLUSION & DISABILITY AWARENESS

 2 hour workshop

 up to 25 participants

This workshop is aimed at understanding the theories of social inclusion. This interactive workshop will promote a level of knowledge and confidence to ensure you & your organisation are inclusive and welcoming of all people, particularly those from low-participation backgrounds.

*Suitable for all people, positions & volunteers*

## BUILDING STRONGER, CONNECTED CLUBS

 2 hour workshop

 up to 25 participants

Are you looking to strengthen your membership numbers and increase volunteerism? This practical workshop shows clubs & groups how to utilise the theories of social inclusion to build a strong, connected club that is reflective of their surrounding community.

*Suitable for sporting clubs & community groups*

## INCLUSIVE EVENTS

 2.5 hour workshop

 up to 35 participants

Events play a major role in creating social cohesion in our communities. Events give residents the opportunity to share experiences with one another, while learning more about the community around them. This workshop is aimed at ensuring all people feel included, valued & celebrated at community events.

*Suitable for event organisers*

## ATTRACTING TIME & TALENT

 2 hour workshop

 up to 25 participants

Utilising the theories of social inclusion, this workshop will guide you to look at volunteering and paid roles through a new lens. This interactive workshop will give you practical tools to assist you in attracting knowledgeable, skillful and passionate people to your club, group or organisation.

*Suitable for sporting clubs, community groups & organisations*

## COMMUNITY INCLUSION: PRINCIPLES & HOW TO

 3 hour workshop

 up to 35 participants

This workshop utilises the theories of social inclusion to support organisations to create connections between individuals and their communities. Focusing on practical solutions, this workshop will give you the tools and confidence to increase community engagement and improve social cohesion.

*Suitable for organisations & service providers*

## IDENTIFYING VALUED ROLES

 2 hour workshop

 up to 25 participants

Social roles dominate people's lives and play a major role in how we perceive ourselves, and one another. This interactive workshop is aimed at understanding the theory of Social Role Valorization, and how this theory can help you identify opportunities for people to obtain valued roles in your community.

*Suitable for sporting clubs, community groups & organisations*

## EQUIPPING YOUTH FOR INCLUSION

 5 hour workshop

 up to 15 participants

This workshop will support young people to use the theories of inclusion to create, promote and host successful, inclusive events. Using a fun, interactive approach, we will cover marketing & promotion, event planning & community engagement while empowering youth to obtain leadership roles in their community.

*Suitable for young people aged 12- 25 years!*

## INCLUSIVE MARKETING & PROMOTION

 1.5 hour workshop

 up to 25 participants

This workshop discusses an inclusive approach to the existing principles of marketing & promotion. Exploring the dimensions of inclusion, this interactive session will provide you with the practical tools to understand language, terminology and formatting used in marketing & promotion.

*Suitable for sporting clubs & community groups*

## INCLUSION IN THE CLASSROOM

 1) 1.5 hour presentation  
2) 2 hour workshop

 1) up to 250 participants  
2) up to 25 participants

This two-part series will plant the seed and challenge the systems that currently exist within the education sector. Part one will showcase how positive outcomes can be achieved through simple modifications. Part two empowers staff to make meaningful and supported change within their own school environment.

*Suitable for school staff*

## INTRODUCTION TO INCLUSION

 1 hour presentation

 up to 40 participants

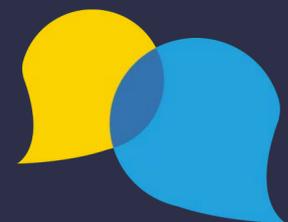

Not sure where to start on your inclusion journey? This one hour session will give you an overview of the theories of social inclusion. Using interactive activities, this session will increase your knowledge and give you the foundations to guide you in the right direction.

*Suitable for all people, positions & volunteers!*
