

# Inclusion Workshops and Webinars

**Inclusion Solutions works to support and grow vibrant, well-connected and socially inclusive communities.**

We work with organisations of all shapes and sizes to build capacity, inspire, support, and develop strategies that ensures lasting social change.

**inclusion  
solutions**

## Inclusion Workshops and Webinars

Sessions are designed to inform and educate around the ideas, theories and practice of social inclusion. All workshops can be tailored to suit your organisations individual needs and are facilitated by our skilled and friendly team.

### Workshops

- 2 - 4 hours
- 30 participants

### Webinars

- 1.5 hours (abridged content)
- 100 participants

Workshops are delivered face-to-face to ensure an interactive environment where participants can ask questions in a safe and supportive environment.

Each of our sessions can also be delivered online, as abridged versions, with limited interactive elements.

### Social Inclusion and Disability Awareness

-  2 - 2.5 hours in person
-  1.5 hours online

This workshop provides a level of knowledge and confidence to ensure you and your organisation are inclusive and welcoming of all people, particularly those from low-participation backgrounds. This is our most popular workshop and provides a good foundation for further learning.

#### Topics covered:

- Disability awareness
- Terminology and inclusive language
- Understanding inclusion theories
- Case studies and resources

### Building Stronger, Connected Clubs

-  2 - 2.5 hours in person
-  1.5 hours online

Are you looking to strengthen your membership and increase volunteerism? This practical workshop guides clubs and groups on how to utilise the theories of social inclusion to build a strong, connected club that is reflective of their community.

#### Topics covered:

- Understanding inclusion theories
- Communication
- Membership and volunteering
- Positive partnerships
- Case studies and resources

## Attracting Time and Talent

 2 - 2.5 hours in person  
 1.5 hours online

This workshop guides participants to consider volunteering and paid roles through a new lens. The interactive workshop will provide practical tools to assist you in attracting knowledgeable, skillful and passionate people to your club, group or organisation.

### Topics covered:

- Understanding inclusion theories
- Volunteering and membership
- Social role valorisation
- Art of asking
- Case studies and resources

## Inclusive Events

 2 - 2.5 hours in person  
 1.5 hours online

With a focus on accessibility and inclusion, this session supports you to plan, develop and deliver a successful event where all people feel welcomed and included.

### Topics covered:

- Principles of inclusion and accessibility
- Communication and planning
- Event design and implementation

## Community Inclusion: Principles and How To

 4 hours in person

\*Delivered as a half day session with a short break
